

CommClean™ Floor Cleaner

WHAT IT DOES:

CommClean™ Floor Cleaner is a bio-stable phosphate free concentrate cleaner that is formulated for use with hard or soft water. It is effective in removing stubborn oils, grease and dirt from factory and garage floors as well as other hard surfaces. It is safe for use on most metals and painted /epoxy coated floors and it will not leave a slippery residue when properly used.

CommClean™ Floor Cleaner is a very cost effective cleaner in that it will work well in light or heavy duty conditions at the low concentration of 3% when properly used in accordance with cleaner and equipment manufacturer directives.

WHERE TO USE IT:

CommClean™ Floor Cleaner works equally in mechanical scrubbers as well as with the traditional mop. Effectiveness is not at all compromised by the hardness (or softness) of the water being used.

CommClean™ Floor Cleaner is to be used on floor surfaces. Consumer must avoid contamination of food in the application and storage of the product.

How to use it:

Mechanical Floor Scrubbers: recommended dilution is 4oz of concentrate to 1 U.S. gal of water (approximately 3.0%). For intense cleaning applications, additional concentrate may be used to a maximum of 8oz of concentrate to 1 U.S. gal of water (approximately 6.0%).

Adjust concentration for best performance and economic results. This product performs equally well in both soft and hard water areas as high as 400 PPM.

Rinse completely with potable water when using this product in food plants or preparation areas.

Do not use **CommClean™ Floor Cleaner** on food contact surfaces.

PERFORMANCE BENEFITS:

- Excellent detergency at room temperature.
- Effective in most water hardness'.
- Safe on most metals and painted surfaces.
- Completely bio-degradable and non-flammable
- Compatible with most sewage waste water treatment systems.
- Moderate foam.
- Easy rinsing and it does not leave a slippery or powdery residue on the floor surface before or after drying.

CommClean™ Floor Cleaner

TECHNICALLY SPEAKING:

Test	CommClean™ Floor Cleaner
Appearance	Clear colourless
Odour	Low to no odour
pH Concentrate	< 12.5
pH @ 3%	11.0
Boiling Point °C	100
Boiling Point °F	212
Freezing Point °C	0
Freezing Point °F	32
Solubility in Water	100%
Chlorides	None
Phosphates	None
Density, lbs./US Gallon	8.68
Specific Gravity	1.04

These are typical figures and do not constitute a specification.
