

## CERFA-KLEEN Degreaser (Formerly CommClean Degreaser)

### WHAT IT DOES:

Commonwealth Oil's **CERFA-KLEEN Degreaser** is a concentrated liquid cleaner primarily intended for concrete or hard surfaces. It is especially suitable for removing grease, oil, tars and other forms of asphalt residues from regular and painted concrete surfaces.

### WHERE TO USE IT:

**CERFA-KLEEN Degreaser** is best used keeping the following in mind:

- Mopping or wiping of extremely dirty surfaces might be required to aid in dispersing oil residue
- Avoid contact with aluminium, zinc, cadmium and other metals that form protective oxide coatings
- **CERFA-KLEEN Degreaser** is normally recommended at a 20:1 dilution (5%), however, each individual application could vary the concentration used

#### Storage and Handling

- Indoor storage, above freezing is preferred
- If frozen, allow to thaw and mix thoroughly
- For general safety, it is recommended that when handling an industrial grade cleaner, the operator should wear rubber gloves and splash goggles

### PERFORMANCE BENEFITS:

**CERFA-KLEEN Degreaser** is especially formulated to deliver the following benefits:

- Can be rinsed off with fresh water
- Non-flammable and non-toxic. It will not release toxic fumes
- Useful on ferrous metal parts
- Wets and penetrates soiled surfaces and then disperses the oil or grease
