

WOCO Arctic 32 (Formerly Arctic Supreme 32) Hi-Performance Lubricant

WHAT IT DOES:

Commonwealth Oil's **WOCO Arctic 32** is a premium quality, severe low temperature hydraulic fluid made from highly refined, low-wax base stocks. The special formulation ensures your filters will never be plugged by wax crystals at low temperatures.

WOCO Arctic 32 is specifically formulated for operation under severe low temperature conditions. It is complimented with an additive package that assures you of excellent protection against wear, form, rust and oxidation.

WHERE TO USE IT:

WOCO Arctic 32 is an ideal hydraulic fluid for Northern outdoor conditions that would normally cause standard hydraulic fluids to fail. It is ideally suited for:

- Hydraulic applications
- Extended low temperature operation
- High pressure or frequent overload
- General purpose lubrication
- Stationary outdoor hydraulic applications (e.g. conveyor systems & heavy machinery)

PERFORMANCE BENEFITS:

WOCO Arctic 32:

- Low wax content of fluid prevents premature filter failure.
- Ideal for normal to sub zero temperature applications.
- Will protect equipment against wear, rust, foam and oxidation.

WOCO Arctic 32 Hi-Performance Lubricant

TECHNICALLY SPEAKING:

Test	WOCO Arctic 32
Viscosity: cSt @ 40°C	28.88
Viscosity: cSt @ 100°C	6.68
Viscosity: SUS @ 100°F	145.0
Viscosity: SUS @ 210°F	45.0
Viscosity Index	200
Flash Point, COC °C	> 150
Flash Point, COC °F	> 302
Pour Point °C	-40
Pour Point °F	-40
Rust, Distilled Water	Pass
Density, lbs./US Gallon	7.40
Specific Gravity	0.890

These are typical figures and do not constitute a specification.

Handling & Safety Information

For information on the safe handling and use of this product, refer to its Material Safety Data Sheet obtainable from Commonwealth Oil Corporation.

Available in Pails, Drums and One-Way containers.
